Our 12 Kv output produces over 200,000,000 positive and negative ions per cm³.

No Replacement Parts

Gone is the day of constantly replacing filters or UV Lamps.

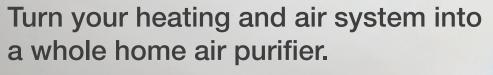

Filterless | Low-maintenance | Energy efficient

Customer reviews...

**** AO purchase

It's awesome!! It does exactly what I knew it would do. It sanitizes the air.

Sally S. Verified Buyer

Satisfied customer

I'm very pleased with the performance of my air cleaner. The unit works as stated, and best of all its made in

Jerome B. Verified Buyer

smells fresh.

Air Oasis I don't feel like we are getting as sick this year and the air
